

Course Withdrawal Form (Used for dropping/withdraw from a course)

- This form is used to withdraw from an individual course(s).
If this is the student's only course for the semester, then the University Term Withdrawal Form should be used instead.
A separate form must be used for each term and for each career (undergraduate, graduate, etc) in which you are requesting course withdrawal.
Before students withdraw, they should consider any possible impact on status, eligibility, and services, and should contact applicable offices such as Cashiers, Student Financial Aid, Veterans Center, Residential Life, Athletics, International Center, and personal insurance carriers.
Students should check with their academic area for withdrawal approval and to see if additional forms are required.
Faculty will assign a grade of W or F based upon performance at the time the student withdraws from the course. Before withdrawing from a course, it is recommended that students verify with their instructor which grade will be assigned.

(Step 1) Students complete their section including entering your name/number in the right hand margin.
(Step 2) Students contact their academic area for appropriate signatures.
(Step 3) The completed form is submitted to the Office of the University Registrar (OUR).

The form must include all signatures to be accepted by the OUR. The withdrawal process is not considered complete until the OUR accepts the form. Students enrolled on campus need to submit their forms in person. Off campus students also have the option to submit the signed form by fax, or scan and email it.
