- University Office of the Registrar - 125 Jesse Hall, or
- Scan and email to degreeaudit@missouri.edu

Processed by (Last, First Middle- please print)

Processor's Signature and Date

/ / 20__

By default, all undergraduate degree-seeking students complete their General Education via MU's Gen Ed requirements (see <https://generaleducation.missouri.edu/requirements/> for details).

Eligible transfer students may opt to complete their General Education via a course of study modeled on the recommended CORE42 (see <https://dhe.mo.gov/core42.php> for details).

This form allows transfer students to elect into the CORE42 option.

Eligible transfer students who opt into the MU CORE42 may rescind their election and revert to MU's Gen Ed requirements. Students wishing to do so should contact their advisor for additional information/procedures.

Upon completion, the same notation appears on transcripts irrespective of how a student meets MU's General Education Requirements: *MU General Education Met.*
